

EASTERN DISTRICTS CRICKET ASSOCIATION – RULES FOR 2010-11

GRADE: Year 5

NOTES TO EDCA Year 5 RULES FOR 2010-11 SEASON

General

All games shall be played in accordance with:

- a) The Playing Conditions specified in these Rules;
- b) The Laws of Cricket (2000 Code – 4th Edition 2010) of the Marylebone Cricket Club,

and to the extent that there is any conflict between those conditions, the conditions shall be applied in the order of priority set out above.

Amendments to 2009-10 Rules

There are NO changes to the Year 5 Rules for this season.

Teams will play different game formats pre- and post- Xmas:

- **pre-Xmas:** batsmen will bat in pairs for 6 overs irrespective of dismissals, however 3 runs will be lost for each dismissal;
- **post-Xmas:** change to the more traditional form of the game where batsmen leave the wicket when dismissed, but with the provision that all batsmen should face a minimum of 6 fair deliveries.

Comments on other Rules

Rule 6: Pitch length - must be between 17.7 and 18 Metres to comply with Auckland Cricket Association specification. Where games are scheduled on a full-length artificial wicket, then the pitch length must be shortened as follows:

At both ends:

1. position the stumps on the popping crease instead of the bowling crease
2. mark new popping creases with chalk - 4 feet (1.22 metres) from the centre of the stumps.

This will result in a pitch length of 17.71 Metres.

(Note – this means that all Y5 teams must carry a set of free-standing stumps, some chalk, and something to measure 4 feet.)

Rule 11: Innings

Post Xmas, if the game finishes early, the team coaches should provide the opportunity for more cricket - particularly if there are players who have not batted or bowled. (For example, if there is an hour of playing time remaining, consider setting up a 6-over “game”). However, any runs scored or wickets taken do not count towards team or individual stats.

Rule 15: Wides

It is imperative that the calling of wides be **consistent** throughout the game. If an umpire is exchanged (permitted, but try to avoid it), his replacement **must** be briefed on the wide lines which have been used in the game so far.

Rule 16: No balls

The umpire at the Striker’s end should indicate any “over-height” no-ball to his mate at the Bowler’s end, who will make the signal to the scorers when the ball is dead.

Post Xmas, the first “over-stepping” offence by a bowler results in a warning only and the penalty run is NOT recorded. In all other respects the delivery is to be regarded as a no-ball.

Note: a No-ball overrides a Wide.

Rules 25 and 5:

Batting – when a team has more than 8 players, the innings still concludes at the fall of the 8th wicket. However, the provision in Rule 5 for the 7th dismissed batsman to remain at the wicket as non-striker only does not apply.
